

Geography – Year 3

Objective	What it looks like
To name and locate key geographical features and land use patterns.	Look at how land use has changed particularly in reference to Roman invasion.
To understand similarities and differences of different countries.	Why did the Romans want to come to Britain. How was it different to where they came from?
To use maps, atlases, globes and digital mapping to locate countries and describe features studied.	Identify the extent of the Roman Empire by using maps from the period and modern maps. Trace the route that the Romans took from Rome to Britain.
To study types of settlements	To look at towns, cities and villages that have links in Roman times and consider how they have developed.
